## Disability Discrimination Act Works

The disability discrimination act requires premise owners to make reasonable adjustments to enable people with disabilities to use their premises.

### Tew Brothers undertake all works in connection with the DDA requirements.

- Providing level access into buildings
- Constructing access ramps and installing handrails
- Installing easy to reach and grab door handles for wheelchair users
- Refurbishing communal areas including walls, floors, ceilings & doors
- Installing lighting systems to help the visually impaired

### Recent DDA Projects include:-

- Constructing ramps and installing handrails at Falcon House, Winchester
- Conversion of staff toilets into disabled toilets at Whitchurch C of E primary school
- Installing access ramps at NHS Direct, Berrywood Business Park, Southampton
- Refurbishment of disabled toilets and the installation of a fully adaptable working kitchen for use by adults with physical and learning disabilities at New Forest Day Services, New Milton
